I think I'm in need of a savior  
Someone with poisoned nervous eyes  
Someone with a code of behavior  
For someone that I could just  
Oh, oh, oh, oh, you know  
You know, oh, oh, oh

Oh, if you say so  
I'll hand it to you  
If you say so  
Don't let your lungs slow  
They're breathing for you  
Let your lungs go

Hear me, I'm need of a savior  
Someone who shakes at my surprise  
Someone who isn't a jailer  
That certain someone that won't  
Oh, oh, oh, oh, you know  
You know, oh, oh, oh

Oh, if you say so  
I'll hand it to you  
If you say so  
Don't let your lungs slow  
They're breathing for you  
Let your lungs go

It don't take a whole  
Pulse inside this shell  
To realize that I am going  
Straight to hell, oh well

As I'm creeping and I'm creeping  
And I'm creeping to the top  
Stepping on everyone I know  
To make sure they end up below

Should I be scared  
For every minute I've been sinning?  
Should I be scared  
For that one minute it'll set in?

Should I be scared  
For every minute I've been sinning?  
Should I be scared  
For that one minute it'll set in?

Should I be scared  
For every minute I've been sinning?  
Should I be scared  
For that one minute it will set in?  
Should I be scared for me?

Oh, if you say so  
I'll hand it to you  
If you say so  
Don't let your lungs slow  
They're breathing for you  
Let your lungs go, oh
