I'm sleeping soft tonight  
Keeping warm with crooked dreams  
The pennies of a dead man's eyes  
Never let my pockets weep  
And I'm sorry you had to know me  
When I'm so fit to be tied

I'm such a mensch in my clothes  
But my plans are criminal  
So give me your hand in a quote  
I'll save your grim and single soul

I'm hoping you're the type  
The kind that falls for every line  
The kind that sings along to all of my wrongs  
Too good to be a find  
Now honey, my time is money  
And you've come dressed in rags

I'm such a mensch in my clothes  
But my plans are criminal  
So give me your hand in a quote  
I'll save your grim and single soul

I'm such a mensch in my clothes  
But my plans are criminal  
So give me your hand in a quote  
I'll save your grim and single soul

I'm such a mensch in my clothes  
But my plans are criminal  
So give me your hand in a quote  
I'll save your grim and single soul

Mensch in my clothes  
But my plans are criminal  
So give me your hand in a quote  
I'll save your grim and single soul

I'm such a mensch in my clothes  
But my plans are criminal  
So give me your hand in a quote

I'll save your grim and single soul, single soul
