The thing I hate the most
I hate the most about being a ghost
Is that no one believes in me
When I say death is near
And no one else can hear

It's so frustrating
To watch you go, don't you know
You're one of us now, you're of us now
I said you're one of us now
You're on of us now, you're one of us now
I said you're one of us now, you're one of now

Look down button up your shirt
Because no one's looking in your direction
Sounds of the one that you hurt
But that's ok because you're geared for action
Whoa Whoa
Geared for action, yeah
Geared of action oh, oh, oh

All you want is more

So much more
Time before
You have to leave this medium
And watch the day just fade away
Tomorrow comes to takes it place
Every day, everyday, everyday

You're one of us now, you're of us now
I said you're one of us now
You're on of us now, you're one of us now
I said you're one of us now, you're one of now

Look down button up your shirt
Because no one's looking in your direction
Whoa Whoa
Sounds of the one that you hurt
But that's ok because you're geared for action
Whoa Whoa
Geared for action, yeah

Geared of action oh, oh, oh Yeah.
