Why did I leave my room I'll never know  
Be cool be strong be fun I guess it shows  
It's useless to lie  
I know it's not right  
Caught with red-eyes-wide-open when you feel like  
dancing... feel like dancing

Forever and ever we all had to wait  
For something or nothing that you had to say  
Dad lets keep this between us  
Just take me home with you  
And don't tell mom because she'll yell  
Lets just keep this between us  
Just take me home with you  
If you would just shut up I can explain  
You know that everybody makes mistakes  
It's useless to lie  
I'll pay with my life  
Caught with red-eyes-wide-open when you feel like  
dancing... feel like dancing

I guess you were right  
I should have listened better  
Here is my message in a black-marked letter  
Saying it's the end  
Goodbye to all my friends  
You know I hated them
