"The Art" Lyrics  
10. Factory Girl

She's alive  
Ha ha ha

Tell me exactly how you want it, you want it  
Don't be afraid of the components, it's normal  
The trendy supermodel body, that's your body  
The upgrade can exotic or robotic  
Do you like what you see girl  
(Girl, girl, girl, girl)

You can go plastic, upgrade your fashion in my factory  
girl  
You can go plastic, upgrade your fashion in my factory  
girl  
Why look so average upgrade your fashion in my  
factory girl  
You're killer fantastic; we love your fashion in my  
factory girl

Uh-oh, uh-oh, uh-oh  
I'm a factory girl  
Uh-oh, uh-oh, uh-oh
