Uh, huh, huh
Uh, ooh, uh ah...

Cover me, yeah
When I walk alone
Cover me, yeah
When my stance it stumbles homes

Cover me, yeah
We'll trip on through the sands of time
And cover me
Cause I've been branded
I've lost my mind
Lost my mind

But you cover me, yeah
Won't you give me shelter
From the storm?

Over me, yeah
Fade into the night
Over me, yeah
You melt into the light

Over me, yeah
You will fear the things I need
Over me
You will feel the hate I breed

You're under me
And you will question my authority
You're under me
And you will lose almost everything, you know...

You're under me
You will feel the pain
I want to bring you

You're under me
You never change, never change
A fucking thing

Not a, a fucking thing
But you
You cover me, yeah
Give me shelter from the storm

Cover me
Cover me
Won't you cover me?
Cover me

Don't you
Cover me
Cover me
Give me shelter from the storm

(Solo)

Oh yeah, yeah, yeah, yeah
No, no, no

People push and shove on time
I give it to you

What I have is
What is mine
I feel it for you

You got to cover me
You got to cover me

People take and people steal
I have it for you

What I have is
What I fear
I fear it for you
You've got to cover me

Cause I've been branded
A broken man
Broken man

But you cover me, yeah
Won't you give me shelter
From the storm?

Cover me, cover me
Won't you cover me?
Cover me

Don't you cover me

Cover me
Give me shelter from the storm
