I'll never know I'll never care I'll never buzz you my
people I'll Tell you

what I say. I'll never lie I'll never try I'll never cry for you
people. I'll

push you Push you away.

As you lonely people keep on

Running 'round my door. Yes you

Lonely people keep on begging

Beg for more.

Yes I'll cry for you. Yes I'll die

For you. Pain in my heart it is Real. And I'll tell you now
how I

Feel inside. Feel in my heart is For you...

Is for you, only you. Is for you.

I'll never try, I'll never die, I'll never push for you
people. I'll tell you,

how I feel. I'll

Never lie, I'll never cry, I'll

Never try for you people. I'll tell

You, this is real.

As you lonely people keep on

Passing time away. Yes you lonely

People, keep on passing, passing

Away.

Yes I'll cry for you. Yes I'll die

For you. Pain in my heart it is Real. And I'll tell you now
how I

Feel inside. Feel in my heart is For you.

And I'll take everything as it Comes my way. Pushing
your pain out

My door. And I'll die for you, yes I'll die for you. Yes this
blood On my hands

are for you.

But you shiver, you shudder, Recovers your mother,
you feel it

Take control all alone. Feel alive

In you soul.

Come around town, steal another Dime, take another
line. Once you Feel the

blanket, you're so out of

Mind. Come around town, steal

Another dime, do another crime. Once you get higher
and higher, on

Their time.

Come around town, steal another

Dime. Don't you push your drugs in

My face, as I feelin, feeling fine.

Don't you push your drugs in my Face, or I'm gonna put
you in your

Place. Fuck you! I don't want it no

More!

And it's for you. Said this pain in

My heart is for you. This is why I'm all alone.

Ohh... I don't want it no more.

I don't want it no more. I don't

Want it no more. I don't want it No more! And that's why
I'm on my

Own. This is why I'm all alone.

Yes I'll cry for you, yes I'll die For you. Pain in my heart,
it is Real. And

I'll gonna take every Thing as it comes my way. Feel in
My heart Is for you.

And I'll lie for you, yes I'll die

For you. Pain in my heart it is

Real. And I'll tell you now how I

Feel inside...Fuck you! It's for

YOU
