You

It's for you

Only you

It's for you

I never know

I never care

I never believe my people

I'll tell you what I say

I never lie

I never try

I never cry for you people

I'll push you

Push away

As you lonely people

Keep on running around my door

Yes, you lonely people

Keep on begging

Beg for more

And I'll cry for you

Yes I'll die for you

Pain in my heart it is real

And I'll tell you now how I feel inside

Feel in my heart it's for you

It's for you

Only you

It's for you

I'll never try

I'll never die

I'll never push for you people

I'll tell you how I feel

I'll never lie

I'll never cry

I'll never try for you people

I'll tell you, yes it's real

And you lonely people

Keep on passing time away

Yes you lonely people keep on passing,

Pass away

And I'll cry for you
Yes, I'll die for you
Pain in my heart it is real
And I'll tell you now how I feel inside
Feel in my heart it's for you
And I'll take everything
As it comes my way
Pushin' your pain 'round my door
Will I cry for you as I die for you
Is this blood on my hands all for you?
You shiver
And shudder
Recovers your mother
You feel it take control
All alone
Feel alive
In your soul

Come around town
Steal another dime
Take another line
Won't you feel it
Blanket your soul
Out of mind

Come around town
Steal another dime
Do another crime
Won't you get it higher & higher
Roll through time

Come around town
Steal another dime
Don't you push your drugs in my face
Yes, I'm feeling
Feeling fine
Don't you push your drugs in my face
Or I'm gonna put you in your place
Fuck you
I don't want it no more
And it's mine
Said this pain in my heart is all mine
Yes, it's mine all alone

I don't want it no more
I don't want it no more
I don't want it no more
I don't want it no more

And it's mine on my own
Yes, it's mine all alone

As I cry for you
Yes, I'll die for you
Pain in my heart, it is real
And I'll take
Everything as it comes my way
Feel in my heart it's for you
And I'll lie for you as I die for you
Pain in my heart it is real
And I'll tell you now
How I feel inside
Fuck you
It's for you
