"Cold Wind To Valhalla"

And ride with us young bonny lass ---
With the angels of the night.
Crack wind clatter --- flesh rein bite on an out-size
Unicorn.
Rough-shod winging sky blue flight on a cold wind
To Valhalla.
And join with us please --- Valkyrie maidens cry
Above the cold wind to Valhalla.
Break fast with the gods. Night angels serve
With ice-bound majesty.
Frozen flaking fish raw nerve ---
In a cup of silver liquid fire.
Moon jet brave beam split ceiling swerve and light
The old Valhalla.
Come join with us please --- Valkyrie maidens cry
Above the cold wind to Valhalla.
The heroes rest upon the sighs of Thor's trusty
Hand maidens.
Midnight lonely whisper cries,
"We're getting a bit short on heroes lately."
Sword snap fright white pale goodbyes in the
Desolation of Valhalla.
And join with us please --- Valkyrie maidens ride
Empty-handed on the cold wind to Valhalla.
