"Kelpie"

There was a warm wind with the high tide on the south
of the hill.
When a young girl went a-walking and I followed with a
will.
"Good day to you, my fine young lady, with your lips so
sweetly full.
May I help you comb your long hair, sweep it from that
brow so cool?"
Up, ride with the kelpie.
I'll steal your soul to the deep.
If you don't ride with me while the devil's free
I'll ride with somebody else.

Well I'm a man when I'm feeling the urge to step
ashore.
So I may charm you not alarm you. Tell you all fine
things, and more.
Up, ride with the kelpie.
I'll steal your soul to the deep.
If you don't ride with me while the devil's free
I'll ride with somebody else.

Say goodbye to all your dear kin for they hate to see
you go
In your young prime, to this place of mine in the still
loch far below.
Up, ride with the kelpie.
I'll steal your soul to the deep.
If you don't ride with me while the devil's free
I'll ride with somebody else.

Up, ride with the kelpie.
I'll steal your soul to the deep.
If you don't ride with me while the devil's free
I'll ride with somebody else.
