"Kissing Willie"

Breaking hearts in a market town. She eats filet of sole
And washes it down with sparkling wine.
Nice girl, but a bad girl's better. Qualifies in both ways
To my mind. But now she's kissing Willie.

She shows a leg --- shows it damn well. Knows how to
drive a man
Right back to being a child.
Well, she's a --- nice girl, but her bad girl's better. I can
read
It in her cheating eyes and know that in a while --- Well,
She'll be kissing Willie. (My best friend, Willie.)

Willie stands and Willie falls. Willie bangs his head
Behind grey factory walls.
She's a --- nice girl, but her bad girl's better. Me and
Willie
Just can't help come, when she calls.
Now she's kissing Willie. (My best friend, Willie.)
