Flying so high, trying to remember  
How many cigarettes did I bring along?  
When I get down I'll jump in a taxi cab  
Driving through London town  
To cry you a song.

It's been a long time --  
Still shaking my wings.  
Well, I'm a glad bird  
I got changes to ring.

Closing my dream inside it's paper-bag.  
Thought I saw angels  
But I could have been wrong.  
Search in my case,  
Can't find what they're looking for.  
Waving me through  
To cry you a song.

It's been a long time --  
Still shaking my wings.  
Well I'm a glad bird  
I got changes to ring.

Lights in the street,  
Peeping through curtains drawn.  
Rattling of safety chain taking too long.  
The smile in your eyes was never so sweet before --  
Came down from the skies  
To cry you a song.
