Critic of the black and white  
It's your first night  
The passion play gets in the way  
Spoils your insight

Tell me how the baby's made  
How the lady's laid  
Why the old dogs howl with sadness

The blue thing in the ball  
Leaves naught but a bloody footprint  
On the memory of last summer's trip to Europe  
Did you buy a passport from the Queen?

And your little sister's immaculate virginity  
Wings away on the bony  
Shoulder of a young horse named George  
Who stole surreptitiously into her geography revision  
The examining body examined her body
