I'm just a fool for you, baby  
Oh, what can I do, lady  
I read the book of love  
And you are lying just to me and I'm a loser

Baby, why you pretend, darling  
Oh, there is no end, darling  
I kept my promises  
But you are lying once again and I'm a loser

Please talk to me, oh, je n'ai pas compris  
It's like a falling sky  
I always will be true  
Oh, du du du dub to you

Please talk to me, oh, je n'ai pas compris  
I promise from my heart  
I always will be true  
Oh, du du du dub to you

Where does my heart belong, baby  
Love isn't always wrong, lady  
You're playing with a fire  
And you are losing once again 'cause you're a dreamer

I'm not a lonely guy, darling  
Sun has left your sky, darling  
You broke your promises, girl  
And all I'm wasting is my life 'cause you're a dreamer

Please talk to me, oh, je n'ai pas compris  
It's like a falling sky  
I always will be true  
Oh, du du du dub to you

Please talk to me, oh, je n'ai pas compris  
I promise from my heart  
I always will be true  
Oh, du du du dub to you

Du du du dub to you  
Du du du dub to you

Please talk to me
