Hot mango flush
Hot mango flush

Ladies with ice cream hair
Gyroscopic pink neon beams
Everybody's happy about somethin'

The crowd moves like a flock of starlings
They switch direction as one
Jive on the jukebox, Jack and Joker
Split the night air with whoop and holler

Hot mango flush

Faint aroma, wood smoke, old fish
Diesel harbor, roadside mongrel
Painted man with buttons barely
Holding, bursting belly bulging

Hot mango flush

Doe-eyed ragamuffin mumbling
Scolded for some vague infraction
Stole a penny, candy-colored
Sweetheart kiss down at the market

Down at the market
All the world seems to simmer

Hot mango flush
Hot mango flush

Ladies with ice cream hair
Gyroscopic pink neon beams
Everybody's happy about somethin'

The crowd moves like a flock of starlings
They switch direction as one
Jive on the jukebox, Jack and Joker
Split the night air with whoop and holler

Stole a penny, candy-colored

Sweetheart kiss down at the market

Down at the market
All the world seems to simmer

Hot mango flush
Hot mango flush
