Cold aeroplanes, slow boats, warm trains  
Remind me of Jack-A-Lynn  
Lush hotels and pretty girls  
Won't cheer the misty mood I'm in  
Silly, sad, I've never had to write this before  
Oh, Jack-A-Lynn

Funny, how long nights allow  
Thoughts of Jack-A-Lynn  
When phantoms tread around my bed  
To offer restless dreams they bring  
And it's just the time and place to find  
A sad song to play for Jack-A-Lynn

Magpies that shriek, old boots that leak  
Call me to Jack-A-Lynn  
Coal-black cats in policeman's hats  
Nosing where the mice have been  
And the long miaow's beginning now  
And I'm far, far from home and Jack-A-Lynn

Jack, Jack-A-Lynn  
Oh, Jack, Jack-A-Lynn  
Jack, Jack-A-Lynn  
Jack, Jack-A-Lynn  
Jack, Jack-A-Lynn  
Jack, Jack, Jack-A-Lynn  
Jack, Jack-A-Lynn  
Jack, Jack-A-Lynn  
Jack, Jack-A-Lynn
