In the dark of the city backwoods  
Something stirs then slips away  
Law and order in darkest Knights bridge  
Crime and punishment at play

Hey Mr. Policeman won't you come on over  
Hook me up to the power lines of your love  
Jump start, tow me away  
Jump start or tow me away

And through the bruised machinery  
[Incomprehensible] smoking haze of industry 0.49  
Another day with ball and chain  
I do my time, then home again

Hey Mrs. Maggie won't you come on over  
Hook me up to the power lines of your love  
Jump start or tow me away  
Jump start or tow me away

Oh we should've blamed the officers?  
Or maybe I should blame the priest?  
Or should I blame the poor foot soldier  
Who's left to make the most from least?

Hey, Jack Ripper won't you come on over  
Hook me up to the power lines of your love  
Hook me up to the power lines of your love  
Jump start or tow me away, yeah  
Jump start or tow me away

You can blame the newsman  
Talking at you on the satellite T.V  
And if you're fighting for your shipyards  
You might as well just blame the sea

Hey Mr. Weatherman come on over  
Hook me up to the power lines of your love  
Jump start or tow me away  
Jump start or tow me away
