VERSE 1

Sometimes I think I'm in control
And I act so foolishly
Facing problems on my own
I don't know what's best for me
My mistakes at times disturb
All the plans You have made
Lord keep me in Your will
So I won't be in Your way

CHORUS

So put me where You want to
Not where I want to be
If I should ask for things I want
Just give me what I need
When I complain from time to time
Forgive me, Lord I pray
Keep me in Your will
So I won't be in Your way

VERSE 2

Remind me Lord, I'm just a glove
In which You place Your hand
Not my will but Yours be done
Though I don't understand
The best laid plans I've made
Somehow always go astray
Lord keep me in Your will
So I won't be in Your way

CHORUS

REPEAT CHORUS

TAG

So put me where you want to
Not where I want to be
Lord keep me in Your will
So I won't be in Your way
Lord keep me in Your will
So I won't be in Your way
