Black Volga following me  
(Nobody's car)  
Mr. No One at the wheel  
(Of Nobody's car)

Wet pavements, thin apartments  
Quiet dissent from darkened doorways  
I want out alive, speak up for me if you can  
So, careful how you drive in Tourist City

Slap in front of my hotel  
(It's Nobody's car)  
Is that my limousine?  
(No, it's Nobody's car)

Are you on routine assignments?  
Plastic shades on black browed eye holes  
I read this book before, I even saw the film  
How did the ending go in Tourist City?  
(Black out)

Oh, it's a weird scenario  
I've seen a thousand times before  
But only on my video

Nobody's car  
Nobody's car  
It's Nobody's car  
Nobody's car

Feel my steps quick in the headlights  
(Of Nobody's car)  
Down cobbled alley with no exit  
(From Nobody's car, yeah)

Doors slam, two figures silhouette  
Somewhere before, I feel we've met  
Can't tell you any more  
I agreed to go along with all they asked of me in  
Tourist City

I drive Nobody's car

(Nobody's car)  
Drive Nobody's car  
(Drive Nobody's car)  
Drive Nobody's car  
(Drive Nobody's car)  
Drive Nobody's car  
(Drive Nobody's car)

Drive Nobody's car  
(Drive Nobody's car)  
I drive Nobody's car  
(Drive Nobody's car)  
I drive Nobody's car  
(Drive Nobody's car)  
I drive Nobody's car  
(Drive Nobody's car)
