Every day theres someone asking,  
What is there to do?  
Should I love or should I fight?  
Is it all the same to you?  
No., I say, I have the answer,  
proven to be true.  
But if I were to share it with you,  
you would stand to gain and I to lose.

Oh, I couldnt bare it, so Ive got nothing to say  
nothing to say nothing to say

Every morning pressure forming all around my eyes.  
Ceilings crash the walls collapse broken by the lies  
that your misfortune brought upon us  
and I wont disguise them.  
So dont ask me will I explain  
I wont even begin to tell you why.

No, just because I have a name well Ive got nothing to  
say  
nothing to say nothing to say

Climb a tower of freedom paint your own deceiving  
sign  
Its not my part to criticize or to ask you to be blind  
To your own pressing problem and the [heat] you must  
unwind  
And ask of me no answer there is none that I could give  
you wouldnt find

I went your way ten years ago and Ive got nothing to  
say  
nothing to say nothing to say

nothing, nothing to say  
nothing, nothing to say  
nothing, nothing to say, nothing to say  
nothing, nothing to say, nothing to say  
nothing, nothing to say
