Well, you got a big jib crane waiting to pick you up
Hmm, you see those snakes that crawl
They're just dying to trip you up
Live out in sad shacks at the back of town
Hold your breath while we do you down

'Cos we're all kinds of animals coming here
Occasional demons too
Well, all kinds of animals coming here
Occasional demons too

Well, you got a nice apartment here
With appliances and CD
We're gonna leave your stereo
But we'll have your soul for tea
Well, I'm not speaking of material things
Gonna chew you up, gonna suck you in

'Cos we're all kinds of animals coming here
Occasional demons too
Well, all kinds of animals coming here
Occasional demons too

Smokestacks, belching black
We're the have-nots in your shade
Well, how about a slice of life
How about some human trade?
Eat at the best table in town
No headwaiter going to turn us down

'Cos we're all kinds of animals coming here
Occasional demons too
All kinds of animals coming here
Occasional demons too

Occasional demons too
We're all kinds of animals coming here
Occasional demons too

Occasional demons too
Hmm, occasional demons too
Occasional demons too
