What a sight for my eyes  
To see you in sleep.  
Could it stop the sunrise  
hearing you weep?  
You're not seen, you're not heard  
but I stand by my word  
Came a thousand miles  
just to catch you while  
you're smiling.

\*

What a day for laughter  
and walking at night.  
Me following after  
your hand-holding tight.  
And the memory stays clear  
with a song that you hear  
if I can but make  
the words awake  
the feeling.

\*

What a reason for waiting  
and dreaming of dreams.  
So, here's hoping you've faith in  
impossible schemes  
that are born in the sigh  
of the wind blowing by  
while the damning light  
brings the end to a night  
of loving
