Paparazzi

Paparazzi, can't make the man.
Paparazzi, can't break the man.

Next to the transit lounge
See the Paparazzi tears.
No-one came in today
From Boston or Tangiers.
And in departures ---
Only faceless trippers trip,
Loaded with duty free
Held in white knuckle grip.

Snap it up, flash away ---
Steal a camel for a day.
Break the story in heavy type ---
The news is running late tonight.

Be-decked with Nikon necklaces
Hear the Paparazzi cries.
Under their noses walk
The famous in disguise.
Conspicuously huddled there
But no-one stops to look.
They've got their crayons out
To colour in the book.

Snap it up, flash away ---
Steal a camel for a day.
Break the story in heavy type ---
Paparazzi won't be home tonight.

Paparazzi --- write it down.
Paparazzi --- turn it around.
Paparazzi --- take it, fake it,
Break it.
'Cos it's a story.
Now someone's cut the lines
Communication's down.
All photo film is fogged.
Celebrities surround

And jab their fingers at me.
They kiss but I can't tell.
Even poor Paparazzi
Must have privacy as well.

Snap it up, flash away ---
Steal a camel for a day.
Break the story in heavy type ---
The news is running late tonight.

Snap it up, flash away ---
Steal a camel for a day.
Break the story in heavy type ---
Paparazzi won't be home tonight.
