Time, time still on my mind  
Deep inside of my soul  
Don't let me loose control  
From my head to my toes  
And this is making me mad  
The rest is more than I had  
I bought it all  
But it's still makin me sad

So clap your hands  
Clap your hands  
While I sing to this beat  
I've got everybody jumpin  
And their on their feet  
Bright lights  
And black lit eyes  
It's not too much  
To maintain  
The DJ brought it  
Now you've lost it  
And you're going insane

[Chorus:]  
Baby, you've lost your mind  
Or maybe you've gone insane  
Everything's gunna change now  
It won't be the same  
So take your thoughts  
Take your things  
Just don't take  
Too much time  
And if you're ready  
You can tell me  
What's been on your mind  
A pen for thoughts  
A pen for words  
The things you think  
I don't see  
And whether better worse  
Or never  
We can finally breath

So clap your hands  
Clap your hands  
While I sing to this beat  
I've got everybody jumpin  
And their on their feet  
Bright lights  
And black lit eyes  
It's not too much  
To maintain  
The DJ brought it  
Now you've lost it  
And you're going insane

[Chorus]
