"Calling You"

A desert road from vegas to nowhere,
Some place better than where you've been.
A coffee machine that needs some fixing
In a little caf   just around the bend.

I am calling you.
Can't you hear me?
I am calling you.

A hot dry wind blows right through me.
The baby's crying and I can't sleep,
But we both know a change is coming,
Coming closer sweet release.

I am calling you.
I know you hear me.
I am calling you.
Ohhhh.

I am calling you.
I know you hear me.
I am calling you.

A desert road from vegas to nowhere,
Some place better than where you've been.
A coffee machine that needs some fixing
In a little caf   just around the bend.

A hot dry wind blows right through me.
The baby's crying and I can't sleep
And I can feel a change is coming,
Coming closer sweet release.

I am calling you.
Can't you hear me?
I am calling you.
Ohhhhhhhh
Uhhhhh...
