## "2 Find U"

Visit "[2 Find U](#)" on [MotoLyrics.com](https://MotoLyrics.com)

If I asked u a question  
Would u look me in the eyes?  
Has our love been built on lies?  
Well, why I'm asking  
U see, the time is now  
2 turn our backs forever  
Or work this through somehow  
And I want 2 see u  
I want 2 feel new again

*[CHORUS]*

Hey, U  
Do not walk away  
Let's choose love, come on  
What do u say?  
Hey, U  
Know that I would spend  
My whole life all over again

2 find U

We've layered hurt on hurt  
I've seen pain cloud your eyes  
But we are bruised, not broken  
Like a phoenix, love will rise  
And do U see me?  
Do u feel new again?

*[CHORUS]*

Look in my eyes  
Kiss my mouth hard  
Let your conviction  
Reassure my heart  
Promise me now  
I'll promise U, too  
I love u
