Don't walk too close, don't breathe so soft  
Don't talk so sweet, don't sing  
Don't lay oh so near  
Please, don't let me fall in love with you again  
Please let me forget all those sweet smiles  
All of the passion, all of the peace, the heat, the pain  
All those blue skies where your words were my  
freedom  
Please, don't let me fall in love with you again  
Too many times I've cared too much  
I stood on the edge and saw that you held my hand  
And knowing too well I couldn't hide from those eyes  
Please, don't let me fall in love with you again  
Don't let me fall in love with you again
