I close my eyes, so I can't see you leaving
I still hear you're walking out
I can't move, feel like I'm not breathing
How do I leave without you now?

Is this as bad as it gets?
Is this as hard as it seems?

Oh, is this the way you think
With the dagger through your heart?
When you're fallen to your knees
Ripped and torn apart

I long and I'm gonna cry
Feel like I'm gonna die
Trying to forget
Is this as bad as it gets?

The sun's going down
How will I ever face our empty bed?
Turn out the light
It hurts too much to know
You're never coming home again
You said goodbye

Is this as bad as it gets?
Is this as hard as it seems?

Oh, is this the way you think
With the dagger through your heart?
When you're fallen to your knees
Ripped and torn apart

I long and I'm gonna cry
Feel like I'm gonna die
Trying to forget
Is this as bad as it gets?

Tonight, tell me, I've seen the worst of this
Digging knife deep inside my broken heart
It'll only leave a scar

Is this as bad as it gets?
Is this as hard as it seems?

Oh, is this the way you think
With the dagger through your heart?
When you're fallen to your knees
Ripped and torn apart

I long and I'm gonna cry
Feel like I'm gonna die
Trying to forget
Is this as hard? Is this as tough?
Is this as bad as it gets?

I close my eyes, so I can't see you leaving
