Last night I heard the screaming  
Loud voices behind the wall  
Another sleeples night for me  
It won't do no good to call the police  
Always come late if they come at all

Last night I heard the screaming  
Loud voices behind the wall  
Another sleeples night for me  
It won't do no good to call the police  
Always come late if they come at all

And when they arrive, they say they can't interfere with  
domestic

Affairs between a man and his wife  
And as they walked out the door  
The tears were left in her eyes

Last night I heard the screaming  
Loud voices behind the wall  
I pray that I was dreaming when I saw the ambulance in  
the road  
And the police man said "i'm here to keep the peace,  
Would the crowd please disperse"  
I think we all could use some sleep
