"Break Me"

I will meet you
In some place
Where the light lends itself
To soft repose
I will let you undress me
But I warn you
I have thorns
Like any rose
And you could hurt me
With your bare hands
You could hurt me
With with the sharp end
Of what you say
But I'm lost to you now
And there's no
Amount of reason
That could save me
So break me
Take me
Just let me
Feel your arms again
Break me
I'll let you make me
Just let me
Feel your love again
Feels like being underwater
Now that I've let go
And lost control
Water kisses fill my mouth
Water fills my soul

So break me
Take me
Just let me
Feel your arms again
Break me
Make me
Just let me
Feel your love again

Kiss me once
Well, maybe twice

Oh, it never felt so nice
So break me
Take me
Let me
Feel your arms again
Break me
Make me
Just let me
Feel your arms again
Just let me
Feel your love again
