It's getting cold and I'm starting to sneeze,  
I wipe my nose on my sleeve.  
I've got the sniffles  
I'd better drink my tea.  
Oh do you do you wanna wanna catch a cold with me?

I'd catch a cold with you anytime,  
I ain't just feverish, I ain't just lyin'  
'Cause when your nose is running it's a perfect time for  
kissing  
and hugging.  
Oh do you do you wanna wanna catch a cold with me?

We'll stay inside where it's nice and warm  
Tell our bosses, we're caught in a sneezing storm.  
We'll sniffle and snuggle and watch some more tv.  
Oh do you do you wanna wanna catch a cold with me?

I'd catch a cold with you anytime,  
I ain't just feverish, I ain't just lyin'  
'Cause when your nose is running it's a perfect time for  
kissing  
and hugging.  
Oh do you do you wanna wanna catch a cold with me?

Do you do you wanna wanna wanna wanna do you do  
you wanna  
do me yes indeed,  
Oh do you do you wanna wanna catch/have a cold with  
me?
