Thank you for the flowers you brought me today  
And thank you for the kindness you showed me today  
No love can be stronger than between two strong  
women  
No man can ever know the dance between two women  
We can dance... my lady... may I have this dance?

Thank you for the wisdom the knowing from inside  
And thank you for the comfort only a woman can  
provide  
No man can ever know the dance between two women  
Love can't be stronger than between two strong women  
We can dance... my lady... may I have this dance?

Thank you for the strength without a need for power  
And thank you for the rhythm, the sacred circle  
Love can't be stronger than between two strong women  
No man can ever know the dance between two women  
Like you and i  
We can dance... my lady... may I have this dance?
