I hear the clock, it's 6 A.M.
I feel so far from where I've been
Got my eggs, I've got my pancakes too
I got my maple syrup, everything but you
I break the yolks and make a smiley face
I kinda like it in my brand new place
I wipe the spots off of the mirror
Don't leave the keys in the door
I never put wet towels on the floor anymore 'cause

Dreams last for so long
Even after you're gone
I know that you love me
And soon you will see
You were meant for me
And I was meant for you

Called my momma, she was out for a walk
She consoled a cup of coffee but I didn't wanna talk
So I picked up a paper, it was more bad news
More hearts being broken and people being used
Put on my coat in the pouring rain
I saw a movie it just wasn't the same
'Cause it was happy and I was sad
And it made me miss you oh so bad 'cause

Dreams last for so long
Even after you're gone
I know that you love me
And soon you will see
You were meant for me
And I was meant for you

I go about my business, I'm doing fine
Besides, what would I say if I had you on the line
Same old story, not much to say
Hearts are broken every day

Brush my teeth and put the cap back on
I know you hate it when I leave it right on
I pick up a book, and then I turn the sheets down
And I take a deep breath and a good look around

Put on my pj's and hop into bed
I'm half alive but I feel mostly dead
I try and tell myself it'll be all right
I just shouldn't think anymore tonight

Dreams last for so long
Even after you're gone
I know, that you love me
And soon you will see
You were meant for me
And I was meant for you
