"I Do"

We've been doing this word dance
together for some time I know.
We've treating love like a battlefield
and taking it slow.

Will you blink?
What do you think.
The union we propose
Is dangerous I know.

'Cause love is a game until it's played
And if it's lost, it can't ever be saved.
We have heaven to gain and hell to lose
And the difference is up to me and you.
So if you win, I will stop saying I won't
And start saying I do. I do.

Life can take a long time
If you make the wrong choice.
But time sure seems to fly by
When I hear your voice.

The stakes are high,
How we will find
The courage to believe?
We will succeed.

'Cause love is a game until it's played
And if it's lost, it can't ever be saved.

We have heaven to gain and hell to lose
And the difference is up to me and you.
So if you win, I will stop saying I won't
And start saying I do.

Well our hearts are locked inside an iron box.
We're both too afraid to reveal our most tender parts,
oh.

'Cause love is a game until it's played
And if it's lost, it can't ever be saved.
We have heaven to win and hell to lose

And the difference is up to me and you.

So if you win, I will stop saying I won't.

Stop saying I can't.

Is that what you said?

Cause if you did, I do. I do.

If you want me to.

I do.

If you want me to.

If you want me to.

If you want me to.

If you want me to.

I willl try, I willl try, I will try.

I do.
