## "I'm Sensitive"

I was thinking that I might fly today  
Just to disprove all the things you say  
It doesn't take a talent to be mean  
Your words can crush things that are unseen  
So please be careful with me, I'm sensitive  
And I'd like to stay that way.  
You always tell me that is impossible  
To be respected and be a girl  
Why's it gotta be so complicated?  
Why you gotta tell me if I'm hated?  
So please be careful with me, I'm sensitive  
And I'd like to stay that way.  
I was thinking that it might do some good  
If we robbed the cynics and took all their food

That way what they believe will have taken place  
And we can give it to everybody who has some faith  
So please be careful with me, I'm sensitive  
And I'd like to stay that way.  
I have this theory that if we're told we're bad  
Then that's the only idea we'll ever have  
But maybe if we are surrounded in beauty  
Someday we will become what we see  
'Cause anyone can start a conflict  
it's harder yet to disregard it  
I'd rather see the world from another angle  
We are everyday angels  
Be careful with me 'cause I'd like to stay that way
