What time should I pick you up tonight
To make me seem more selectable
What kind of flowers should I bring your mother
To make me seem more delectable

I got no problem with family events
I like lemonade, camping, kids, and tents
I'll do anything you ask
No matter the task
My whole purpose on earth
Is just to
Kiss your ass

What kind of drugs should I take tonight
To make me seem like I'm introverted
What kind of porn mags should I bring your brother
To make me seem like I'm still perverted

I got no problem with family events
I like lemonade, camping, kids, and tents
I'll do anything you ask
No matter the task
My whole purpose on earth
Is just to
Kiss your ass

Teach me something I don't know
But I swear I'll be something someday
I strain my ears listening too hard to what you say
How then ? ? time should I cruise your block
On my tiny red tricycle
Screaming your name sweet heart in vain
This ? ? ? ? has got me in a pickle

I got no problem with family events
I like lemonade, camping, kids, and tents
I'll do anything you ask
No matter the task
? ? ? ? ?
You'll be promiscuous
And I'll be ? ?
'cause my whole purpose on earth

My whole purpose on earth
My whole purpose on earth
My whole purpose on earth
My whole purpose on earth
Is just to kiss your ass
