Lasciatemi morire.  
Lasciatemi morire.  
E che volete  
Che mi conforte  
In cosi dura sorte,  
In cosi gran martire?  
Lasciatemi morire.  
Lasciatemi morire.  
E che volete  
Che mi conforte  
In cosi dura sorte,  
In cosi gran martire?  
Lasciatemi morire.  
Lasciatemi morire.  
Translation:  
Leave me to die.  
Leave me to die.  
And who do you think  
Can comfort me  
In such a hard (harsh) state,  
In such great suffering?  
Leave me to die.  
Leave me to die.  
And who do you think  
Can comfort me  
In such a hard (harsh) state,  
In such great suffering?  
Leave me to die.  
Leave me to die.
