Go ahead touch me like that  
The way you pull my hair back  
Go ahead breathe me in  
Bite me til I bleed  
This love is like barbed wire running through my veins  
Nicotine love  
Go ahead hurt me like that  
I've been hurt before  
I won't be fixed again  
I'm not afraid to sweat  
Cause I like the pain and it's familiar to me  
And more gentle than most men will ever be  
Nicotine love  
\*but don't get me wrong  
I don't want a friend  
Just need you here to help me satisfy this childish sin  
This insatiable desire, this hunger so deep  
You will melt on my tongue  
And I will put you to sleep  
And I will press you like petals  
Til you're fragile and bent  
And I'll rid you of...  
Nicotine love  
It hurts just right  
Not to know your name  
But feel that body beneath me  
Struggling as though it was somehow sane  
As when I was with him  
Gonna make you promise to me  
Than I will crush your heart  
Cause I can't

Because it happened to me  
Nicotine love  
So come here baby  
My honey, cutie-pie  
Let my fingers swim like pale fish through your hair  
So I can tell you that I love you  
Your safe, never let me go  
You wonder why it I'm here  
With patience, soon it'll be all too clear  
Nicotine love

\*but don't get me wrong...  
So go ahead touch me like that  
The end is drawing near  
Go ahead hurt me that way  
You don't even know enough to fear  
You don't know how true it is when you say  
My kisses are sweet as death  
But soon you'll have no more options  
It's all you have left  
Love is like barbed wire  
I'm electric and so alone  
So come here stray cat  
I'm gonna take you home  
I'm gonna press you like petals  
Til you're fragile and bent  
And i'll...  
Well i'll...  
Nicotine love
