Jewel & Steve together)

I drove by my old lover's house  
last night at 3 AM  
Her car was parked next to his  
so I just honked my horn

Well I'm looking  
For something New  
Something like you  
And I'm wondering  
what I should do  
Are you in the mood?

Last night I had a fantasy  
You knocked upon my door  
Your lips were so ???  
yet you reached into my car

But I'm looking  
For something New  
Something like you  
And I'm wondering  
what I should do  
Are you in the mood?

(Steve only)

Yellow streetlamps  
light the night  
Lonely streetcorners  
sob and cry  
The car is silent  
I can hear my thoughts  
My belly is full  
But my heart is not

(Jewel & Steve together)

I fell to my knees  
in front of the back room near her

My eyes were as hollow as the six o'clock news

Well I'm looking  
For something New  
Something like you  
And I'm wondering  
what I should do  
Are you in the mood?

I drove by my old lover's house last night at 3 AM
