Under the spotlight, the neon kiss  
Carnival barkers preen & twist  
Three for a quarter, 2 for a dime  
Broken hearts general store--open all the time

Chorus:

I'm lonely without you  
Just like one left shoe  
I'm lonely without you

Tennis shoes strung across a telephone wire  
The sun sneaks up on my empire  
Tent for your castle with a bubblegum crown  
Me & my minions make the rounds

I'm lonely without you  
Just like one left shoe  
I'm lonely without you

Bridge:

I'm a little cocoon just blooming for you  
I draw a deep breath, the day is new  
I'm brave, I'm a hero, the world's bright & clear  
But my insides shrivel when you're not here

Newspaper pile on my front porch  
The sun is winding up, it's starting to scorch  
The air is dust & lungs are hot  
I keep making love to what is not

I'm lonely without you  
Just like one left shoe  
I'm lonely without you
