Call me as soon as your plane gets in
I'll tell you where to take the cab
Can't talk now in the middle of this crowd
But baby, I miss you so bad

I got a bottle of wine, some stolen time
Key to a room where you can be all mine

'Til it feels like cheating
'Til it feels that good
Nobody's leaving
So let's get it understood

Oh, you could be a stranger
It's been that long
There's something 'bout the danger of feeling
Like we're doing something wrong
Let's make the love that we're needing
'Til it feels like cheating

Don't say a word when you walk in
We ain't got time for that
Kiss me hard like we're about to sin
And there ain't no going back

For a while we'll be free, just you and me
Making promises life won't let us keep

'Til it feels like cheating
'Til it feels that good
Nobody's leaving
So let's get it understood

Oh, you could be a stranger
It's been that long
There's something 'bout the danger of feeling
Like we're doing something wrong
Let's make the love that we're needing
'Til it feels like cheating

Keeping the spark going
Is an everyday fight

So I sent the kids to your mama
And baby, we got all night

'Til it feels like cheating
'Til it feels that good
Nobody's leaving
So let's get it understood

You could be a stranger
It's been that long
There's something 'bout the danger of feeling
Like we're doing something wrong
Let's make the love that we're needing
'Til it feels like cheating

Oh yeah, baby
Let's make the love that we're needing
'Til it feels like cheating
