Verse 1:

You're the ship, I'm the wreck
You're the bomb, I'm a tick
You're the pause before the fall
I'm a crash that follows it all

Chorus:

We are one, we are whole
We are one whole dying soul
We're the crash, the burn,
The dream that turns from ecstasy to aching,
We-e-e-e-e are the sound of two hearts breaking

Verse 2:

You're the blink, I'm the eye
You're the shiver, I'm the knife
You're the clutch, I'm the break
You're the emptiness I make

Chorus:

We are one, we are whole
We are one whole dying soul
We're the crash, the burn,
The dream that turns from ecstasy to aching,
We-e-e-e-e are the sound of two hearts breaking

And drying tears from crying all these years
And I know this is your nightmare come true
I never wanted this for you
But I'm the teeth, you're the heart
With the start of the inhale and a scream
You're the not waking,
I'm the not dreaming

Chorus:

Oh we,
We are one, we are whole
We are one whole dying soul
We're the crash, the burn,
The dream that turns from ecstasy to aching,
We-e-e-e-e are the sound of

We-e-e-e-e are the sound of two hearts breaking
