when i was a seeker / i sought both night and day / i
asked the lord to help me / and he showed me the way

go tell it on the mountain / over the hills and ev'rywhere
/ go tell it on the mountain / that jesus christ is born

he made me a watchman / up on the city wall / and if i
am a christian / i am the least of all

go tell it on the mountain / over the hills and ev'rywhere
/ go tell it on the mountain / that jesus christ is born

while shepherds kept their watching / o'er wand'ring
flock by night / behold! from out of the heavens / there
shown a holy light

go tell it on the mountain / over the hills and ev'rywhere
/ go tell it on the mountain / that jesus christ is born / go
tell it on the mountain / over the hills and ev'rywhere /
go tell it on the mountain / that jesus christ is born

god is watching us, god is watching us / god is
watching us from a distance / god is watching us, god
is watching us / god is watching us / (from a distance)

i've heard your anguish / oh! i've heard your hearts cry
out / we're tired, oh! we are weary / oh! we aren't worn
out / set down your chains / til only faith remains / set
down your chains

and lend your voices / only to sounds of freedom / oh,
no longer lend your strength to that / which you wish to
be free from / fill your lives with love and brav'ry / and
we shall lead a life uncommon

there are plenty of people / who pray for peace / but if
praying were enough / oh! it would have come to be /
don't ever let your words enslave no one / and the
heavens will hush themselves / to hear our voices ring
out clear / with sounds of freedom / sounds of freedom

come on you unbelievers / oh! move out of the way /
there is a new army coming / oh! and we are armed
with faith / oh! live, oh! we must give / oh! live

and lend our voices only to sounds of freedom / no
longer lend your strength / to that which you wish to be
free from / fill your lives with love and brav'ry / and we
shall lead / a life uncommon / fill your lives with love
and brav'ry / oh! and we shall lead / a life uncommon

god is watching us, god is watching us, /

god is watching us from a distance

god is watching us, god is watching us, /

god is watching us from a distance
