He's lonely and he cruises real low
That's my v-12 cadillac
You know he's on the go
On down to the ocean
Surfboard by my side
He's my v-12 cadillac
With delux power glide
I check the ocean, yeah
>from atop of the hill
We're going surfing
In my coup de ville
I pull out on the freeway
I put my caddy in low
Then this real cute guy passed me
But my horn just wouldn't blow
So I pulled up beside him
Looked over real cool
Then he rolled down his window and he said,
"hey baby, your caddy's a jewel."
I check the ocean, yeah
>from atop of the hill
We're going surfing
In my coup de ville

He's lonely and cruises real low
That's my v-12 cadillac
You know he's on the go
On down to the ocean
And my surfboard's by my side
It's my v-12 cadillac
With delux power glide
I check the ocean
>from the hill
We're going surfing
In my coup de ville
(come on baby)
"hey nice board, you surf? "
"gimme a four foot wall and a good shoulder."
"are you any good? "
"oh honey, you don't know how good."
We're going surfing
In my coup de ville

(come on)
