Yo fight turn this mic up... yeahh  
QT...

Most people tell me I'm still too young  
To take a ladies hand and give it the tounge  
But what do they know about puberty?  
About being 14, and living with needs  
They just need to be living with the truth  
It's all the young dudes who got the best booze yeah  
Call my the heartthrob that wasn't choice  
I'm just a nice guy with a pretty good voice  
If you're a girl  
Come get with me and girl I'm gonna make you smile  
If you get scared, I'll take you by the hand  
I'll show you heaven, I will be your dream man

Gonna be your awesome lover  
Gonna be your number one man  
Wanna be your real heartbreaker  
The best lover (best lover) in all the land  
Wanna be your awesome lover  
Wanna be your awesome lover  
Awesome lover..  
The best lover (best lover) in all the land

Are you sick of guys who come on too strong?  
Who just want to see you wearing a tight thong  
I don't even know what a thong is,  
But I got an A+ on the Teen Chomp Quiz!  
So sit back, relax,  
And I won't hit on you  
Just let yourself drown in my baby blues...  
Okay so I'm older than your average teen  
But baby I will treat you just like a queen  
I'm wise and mature and so generous too  
And I'll never use cuss words like hump or screw  
A smooth older man  
Is just what you need  
Cause lovin is better at a way slower speed...

Wanna be your awesome lover  
Wanna be your number one man

Wanna be your real heartbreaker  
The best lover (best lover) in all the land  
Wanna be your awesome lover  
Wanna be your awesome lover  
Awesome lover..  
The best lover (best lover) in all the land

Some ladies like guys who treat them like crap  
Has lots of tattoos and is all into rap  
Guess what, that's me, your own gangsta toy.  
If you're the kind girl who loves a real bad boy...

Gonna Be Your  
Wanna be Your awesome lover  
Wanna be your number one man  
Wanna be your real heartbreaker  
The best lover (best lover) in all the land  
Wanna be your awesome lover  
Wanna be your awesome lover  
Awesome lover..  
The best lover (best lover) in all the land

Be your...  
Awesome lover...
