Before we say good-bye
Before we turn and walk away
Let's give it one more try
Before we say good-bye

Before we close that door
Before we go our separate ways
Let's stop and find out why
Before we say good-bye

We've been down this road before
And we always made it through
But in case we break up
Can I still have sex with you (have sex with you)

Before we loose this love
Before we throw it all away
Girl don't do another guy
Before we say good-bye
(oh no)

Don't wanna say good-bye
Before we say good-bye

We've been down this road before
And always made it through (oh)
But in case we break up
Can I still have sex with you (have sex with you)

Before we loose this love
Before we through it all away
Girl don't do another guy
Before we say good-bye
Let's give it one more try
Before we say good-bye

Ooh, ooh, ooh (repeat couple times)
Before we say good-bye (please don't say good-bye)

Ooh, ooh (oh no you make me cry)
Ooh, ooh, ooh, (repeat a couple times)

Before we say good-bye

Ooh, ooh, ooh (don't say good-bye)

Ooh, ooh, ooh (repeat couple times)

Before we say good-bye (fades)
