Ooh, ooh

You said jump, I asked how high
You made the rules that we love by
And now I find
I was made a Frankenstein

I spoiled you rotten, night and day
I always let you get your way
I did the crime
(Oh, I did the crime)
Now I'm doing time
(I'm doing)

Baby, for showing you I care
I'm tearing out my hair
Baby, you never do your share
You know it isn't fair

I gave my 24-7 to you
Doing everything you wanted to
(What you wanna do, girl?)
I got you sushi and yogurt too

You bought a ringer
Just to pull me through
'Cause you know that it's true
I gave my 24-7 to you

Every time that we're alone
You sit there talking on the phone
It never ends
(Never ends)
Now I hate your friends

Anytime I tell you no
(Tell you no)
You're quick to tell me where to go
I'd leave it all
(I'd leave it all)
If I had your balls
(Gimme those, baby, oh yeah)

Baby, I let you wear the pants
You wore out the romance
Baby, you never miss a chance
To tell me I can't dance

I gave my 24-7 to you
(Seven to you)
Doing everything you wanted to
I bought you Prada and Old Navy too

You never wear 'em
Now I'm feeling blue
'Cause you know that it's true
I gave my 24-7 to you

Baby, it's true
(Baby' it's true)
There will never ever, ever
(Never ever)
Ever never be another one like you, oh

I gave my 24-7 to you
(Seven to you)
Doing everything you wanted to
(What you wanna do?)
I bought you Britney and Limp Bizkit too

You sold them back
All the money that I blew
Girl, you know that it's true
I gave my 24-7 to you
