We're alone in the room  
Playing Hixin and Doom  
And now you telling me goodbye  
So you want us apart  
Puts a knife in my heart  
And a tear welling up in my eye

But let me remind you  
How much you have been blind to  
You've totally changed me  
Mixed me up rearranged me  
My hair how you like  
Quit hanging with Mike  
And now you repay me  
By trying him  
1st play me

I want you to know that you hit me too low  
And that I can barely breath  
If I told you that I'm bleeding inside would  
You simply let me get off my knees  
Let me get off my knees  
That really hurts

Right where it counts  
That's where ya hit me  
Right where it counts  
I'm on my knees  
Right where it counts  
Stop kicking me please  
Right where it counts

I used to play football  
I once was a goofball  
But you didn't like that  
No you didn't like that  
The guys call me whipped  
My popularity slipped  
Because you just wanted a door mat  
We shut out our friends  
And I'd do it again  
If you and I could get back on the highway

I thought we'd share our lives  
Me husband you wife  
Now I'm confused  
And battered and I'm blue  
Why are you so mean  
Now you've ruptured my spleen  
And my lowest extremity  
If we were alone  
And the parents weren't home  
I'd yell a hundred obscenities

Right where it counts  
That's where ya hit me  
Right where it counts  
I'm on my knees  
Right where it counts  
Stop kicking me please  
Right where it counts

Right where it counts  
That's where ya hit me  
Right where it counts  
I'm on my knees  
Right where it counts  
Stop kicking me please  
Right where it counts

Uh, come on come on  
To the bridge  
If I could really love you  
Well this is what would you'd do  
Well baby I can love you  
Right to the fields  
Is this the way you show me  
How much you love me  
Or is there really something your trying to say

Right where it counts  
That's where ya hit me  
Right where it counts  
I'm on my knees  
Right where it counts  
Stop kicking me please  
Right where it counts

Right where it counts  
That's where ya hit me  
Right where it counts  
I'm on my knees  
Right where it counts  
Stop kicking me please

Right where it counts

Right where it counts *[repeats]*
