Performed by 2gether
Written by brian gunn, mark gunn and anthony vanderburgh

Girl, i can't understand you
You're like reading a big fat book in hebrew
I can tell by the way you drool
You don't mean to be cruel
Oh baby
Fess up to your feelings
And tell me you need me
Cos your ass is very pleasin

Chorus
Girl, you've got to say it
Don't spray it
I want the news
Not the weather
Say it
Don't spray it
I want the news
Not the weather

So, say goodbye to those levi's
Say hello to my sweet thighs
We can hokey-pokey
Just give me the okey-doke, ok
Fess up to your feelings
Oh baby i'm needing
Oh baby i'm really really needing

Chorus

Wave your hands if you like it...
Yeah..
Don't give me no teasin
Your ass is so pleasin
As long as i'm breathing
It makes me your heathen

C'mon everyody in the house
I want the news

Repeat chorus~fade out
