You've always told me
If I ever wanna live
If I find a better girl
Someone who lets me breathe
That you wouldn't stand in my way
Oh girl, I never meant to break your heart

I, I promise you
I didn't know, oh no
She was your sister
Sister

What could I do?
She is so dope, oh yeah
I couldn't resist her
Your little sister

What?

And who would've thought
She's really that young
Unlike you
Kisses good with her tongue

Oh please
Don't stand in my way
I guess it really doesn't matter if
If I break your heart

I, I promise you
I didn't know, oh no
She was your sister
Sister

What could I do?
She is so dope, oh yeah
I couldn't resist her
Your little sister

How, oh how could I know?
How could he know?
How could he know?

How?
I really, really didn't know

I, I promise you
I didn't know, oh no
She was your sister
Sister

What could I do?
She is so dope, oh yeah
I couldn't resist her
Your little sister

I, I promise you
I didn't know, oh no
She was your sister
Sister

What could I do?
She is so dope, oh yeah
I couldn't resist her
Your little sister

What?
How old is she anyway?
